

Engineer - Project Manager – Rolling stock (M/F)

Belgorail is an inspection, testing and certification company, part of the Certifer group since 2017, one of the world's railway certification leaders with a global presence in 10 countries.

Specialized in the railway industry, we provide our testing, inspection, and certification services to vehicle and component manufacturers, rail operators, infrastructure managers.

In order to reinforce its Rolling stock division in Brussels, Belgorail is looking for recruiting an experienced Engineer - Project Manager to carry out Rolling Stock Assessments and project management.

Role and responsibilities

The Engineer - Project Manager will be responsible for the day-to-day project management of railway vehicle assessment projects. He/she will:

- ✓ analyse customers' requests;
- ✓ prepare the technical offer;
- ✓ conduct the project in the respect of the contract conditions;
- ✓ prepare the assessment activities;
- ✓ identify risks at project level;
- ✓ interface with the customer and other Assessment Bodies;
- ✓ provide specific expertise in evaluation activities
- ✓ conduct the technical evaluation: documentation review /audits / tests witnessing;
- ✓ redact technical and audit reports;
- ✓ interact with national or European safety authorities;
- ✓ Identify new business opportunities and develop the business of the rolling stock assessment division;
- ✓ Monitor legislations and standards evolutions at national and European levels.

He/she will report to the Rolling Stock Technical Manager.

We are looking for:

- ✓ Engineer with experience in the rail or guided transport (metro, tramway) sector;
- ✓ Open minded, factual, organised and proactive;
- ✓ Able to work independently and in a team, set priorities and meet deadlines;
- ✓ Ability to communicate with customers for technical and commercial matters;
- ✓ Facility to conduct audits of technical inspections and to write reports (technical, audit, assessment).
- ✓ Ability to work in multiple languages (English, Dutch, French);
- ✓ Is likely to undertake short-term assignments abroad.

What we offer

- Permanent contract
- Competitive salary including mobile phone, meal vouchers, pension scheme & hospitalisation, ecochèques, flexible time-table, company bonus
- Positive & stable working atmosphere
- Flexible time-table
- Home working policy
- Company car or public transportation offered
- +/-30 days off a year

We are located near the Central Station in Brussels
